Dear SENCO,

I have been asked to provide a diagnostic assessment for **dyslexia**. It would be most appreciated if you, or another member of staff who knows the young person well, could complete as much information as possible on the form below.

Privacy and Confidentiality

Any information you provide will give valuable background information for the assessment and diagnostic report and a summary of the information will appear in the report. Information gained throughout the assessment is kept in accordance with the GDPR. To view the privacy policies of Dyslexia Solutions, please visit:

<u>www.dyslexiasolutions.co.uk</u> Alternatively a paper copy of the privacy statement can be provided, please contact me for a copy.

Name of Child	
Name and Address of School	
Date of Birth	
School Year	

Current performance in relation to peer group:							
	Below Average	Average	Above Average		Below Average	Average	Above Average
Speaking and listening				Reading Accuracy			
Humanities				Reading Comprehension			
PE				Writing			
Art				Spelling			
DT				Maths			
ICT				Science			

Does the Child have any difficulty with?		
	Y/N	Y/N
Planning and organising written work?	Continually losing things?	
Getting started with written work?	Self-organisation?	
Copying from the board?	Fine motor coordination?	
Remembering instructions?	Gross motor coordination?	

Is there are discrepancy between the child's verbal ability and written work?

Attitude to work- pl	ease tick all that apply:			
Keen	Distracts others	Works well with help	Slow	
Independent	Competent	Lacks interest	Distractible	
Peer relationships – please tick all that apply:				
Popular	Withdrawn	Friendly	Avoids others	
Accepted	Better with younger children	Has one special friend	Dominant	

Y/N

Is the child being monitored for Special Educational Needs?	
Is there an Individual Education Plan/Personalised Learning Plan?	
Please detail any current support/provision this child is receiving?	
Who gives this support? (role in school)	
What type of support?	
Length of sessions?	
Frequency of sessions? (times per week)	
Has this child been discussed/assessed/monitored by any external agencies, e.g. Educational psychologist, Behaviour support, SALT etc.Y/N	
If yes, please give details:	

Please tick any of the behaviours you have observed in the named student:

Has obvious 'good' and 'bad' days for no apparent reason. Confuses directional words, e.g. up/down, in/out. Has difficulty remembering anything in a sequential order, e.g. times tables, days of the week, months of the year, alphabet. Has a poor sense of direction and confuses left, and right? Speed of processing spoken and/or written language is slow. Poor concentration. Forgetful of words/can't find the right word. Written Work Written Work Poor concentration. Forgetful of words/can't find the right word. Poor concentration. Produces messy work with many crossings out. Is persistently confused by letters which look similar, particularly b/d, p/g, p/q, n/u, m/w. Has poor handwriting possibly with 'reversals' and badly formed letters. Spells a word several different ways in one piece of writing e.g. wipe, wype, wipp. Makes anagrams of words, e.g. tired for tried, breaded for bearded. Produces badly set out written work, doesn't stay close to the margin Has poor pencil grip Produces phonetic and bizarre spellings: not age/ability. Unusual sequencing of letters or words Reading: Is making poor reading progress Finds it difficult to blend letters together. No expression in reading. Poor comprehension. Hesitant and laboured in reading, especially when reading aloud. Hesitant and laboured in reading, especially when reading aloud.	Consered	
Confuses directional words, e.g. up/down, in/out. Has difficulty remembering anything in a sequential order, e.g. times tables, days of the week, months of the year, alphabet. Has a poor sense of direction and confuses left, and right? Speed of processing spoken and/or written language is slow. Poor concentration. Forgetful of words/can't find the right word. Written Work Has a poor standard of written work compared to oral ability Produces messy work with many crossings out. Is persistently confused by letters which look similar, particularly b/d, p/g, p/q, n/u, m/w. Has poor handwriting possibly with 'reversals' and badly formed letters. Spells a word several different ways in one piece of writing e.g. wipe, wype, wiep. Makes anagrams of words, e.g. tired for tried, breaded for bearded. Produces phonetic and bizarre spellings: not age/ability. Unusual sequencing of letters or words Reading: Is making poor reading progress Finds it difficult to blend letters together. No expression in reading. Poor comprehension. Hesitant and laboured in reading, especially when reading aloud.	General

Hesitant and laboured in reading, especially when reading aloud.	Produces messy work with many crossings out.	
Spells a word several different ways in one piece of writing e.g. wipe, wipe, Wiep. Makes anagrams of words, e.g. tired for tried, breaded for bearded. Produces badly set out written work, doesn't stay close to the margin Has poor pencil grip Produces phonetic and bizarre spellings: not age/ability. Unusual sequencing of letters or words Reading: Is making poor reading progress Finds it difficult to blend letters together. No expression in reading. Poor comprehension. Hesitant and laboured in reading, especially when reading aloud.	Is persistently confused by letters which look similar, particularly b/d, p/g, p/q, n/u, m/w.	
wiep. Makes anagrams of words, e.g. tired for tried, breaded for bearded. Produces badly set out written work, doesn't stay close to the margin Has poor pencil grip Has poor pencil grip Produces phonetic and bizarre spellings: not age/ability. Unusual sequencing of letters or words Reading: Is making poor reading progress Finds it difficult to blend letters together. No expression in reading. Poor comprehension. Hesitant and laboured in reading, especially when reading aloud. Preduces along aloud.	Has poor handwriting possibly with 'reversals' and badly formed letters.	
Produces badly set out written work, doesn't stay close to the margin Has poor pencil grip Produces phonetic and bizarre spellings: not age/ability. Unusual sequencing of letters or words Reading: Is making poor reading progress Finds it difficult to blend letters together. No expression in reading. Poor comprehension. Hesitant and laboured in reading, especially when reading aloud.	Spells a word several different ways in one piece of writing e.g. wipe, wype, wiep.	
Has poor pencil grip Produces phonetic and bizarre spellings: not age/ability. Unusual sequencing of letters or words Reading: Is making poor reading progress Finds it difficult to blend letters together. No expression in reading. Poor comprehension. Hesitant and laboured in reading, especially when reading aloud.	Makes anagrams of words, e.g. tired for tried, breaded for bearded.	
Produces phonetic and bizarre spellings: not age/ability. Unusual sequencing of letters or words Reading: Is making poor reading progress Finds it difficult to blend letters together. No expression in reading. Poor comprehension. Hesitant and laboured in reading, especially when reading aloud.	Produces badly set out written work, doesn't stay close to the margin	
Unusual sequencing of letters or words Reading: Is making poor reading progress Finds it difficult to blend letters together. No expression in reading. Poor comprehension. Hesitant and laboured in reading, especially when reading aloud.	Has poor pencil grip	
Reading: Is making poor reading progress Finds it difficult to blend letters together. No expression in reading. Poor comprehension. Hesitant and laboured in reading, especially when reading aloud.	Produces phonetic and bizarre spellings: not age/ability.	
Is making poor reading progress Finds it difficult to blend letters together. No expression in reading. Poor comprehension. Hesitant and laboured in reading, especially when reading aloud.	Unusual sequencing of letters or words	
Finds it difficult to blend letters together. No expression in reading. Poor comprehension. Hesitant and laboured in reading, especially when reading aloud.	Reading:	
No expression in reading. Poor comprehension. Hesitant and laboured in reading, especially when reading aloud.	Is making poor reading progress	
Poor comprehension. Hesitant and laboured in reading, especially when reading aloud.	Finds it difficult to blend letters together.	
Hesitant and laboured in reading, especially when reading aloud.	No expression in reading.	
	Poor comprehension.	
Misses out words when reading or adds extra words	Hesitant and laboured in reading, especially when reading aloud.	
	Misses out words when reading or adds extra words	

Fails to recognise familiar words.	
Loses the point of a story being read or written.	
Has difficulty picking out the most important facts from a passage.	
Time	
Has difficulty in learning to tell the time.	
Shows poor personal organisation.	
Shows poor time keeping and general awareness of time.	
Has difficulty remembering what day of the week it is: birth date, seasons of the year, month of the year.	
Difficulty with concepts – yesterday, today, tomorrow.	
Behaviour	
Employs work avoidance tactics, such as sharpening pencils and looking for books	
Seems to 'dream'. Does not seem to listen.	
Is the class clown or is disruptive or withdrawn?	
Is excessively tired due to the amount of concentration and effort required.
